# The Children First Programme

*A one-time cash transfer for vulnerable families with children affected by the earthquakes*

**UNICEF, TRC, MoFSS**

12.07.2023

# Background

- Immediately after the earthquake struck, UNICEF in liaison with the MoFSS and TRC developed a proposal for a large-scale cash transfer program to meet the immediate needs of earthquake-affected children.
- The design and implementation of this cash transfer program is included in the 2023-2024 Work Plan signed between UNICEF, TRC and MoFSS. UNICEF is in close consultation with funders for this purpose.
- In order to meet the urgent needs of earthquake-affected children and to attract the interest of funders, UNICEF has allocated 5 million USD of emergency funds from its own internal funds;
