# Sudanese emergency - Protection situation of new arrivals

*From 1st to 30th June 2025*

PROJET 21

## Key figures

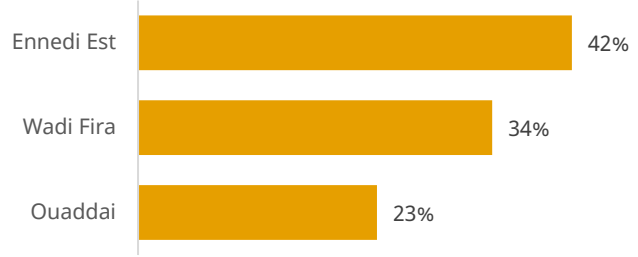
**2,982** Households interviewed

**68%**

**32%**

2,982 households interviewed from 1st to 30th June 2025, following the various influxes registered, mainly at the entry points of Tiné, Kulbus, Birak (Wadi Fira), Bahai and Kariari (Ennedi East) and Adré (Ouaddai).

## NEW ARRIVALS FLOWS *(Households interviewed)*



## Summary

This dashboard summarizes the views of Sudanese refugees, on the situation and protection risks in Chad. The perceptions of these households, interviewed either at the entry points or at the transit sites, a few days after their arrival in Chad, reflect the trauma of fleeing and the relief of having crossed the border.

From 1st to June 26th , 2025, **2,982** households of **9,634 individuals** were interviewed, including **1,100** households of **4,146** individuals at *Birak, Kulbus and Tiné* entry point in Wadi-Fira province, **772** households of **2,398** individuals at *Adré* entry point in Ouaddai province and **1,110** households of **3 090** individuals at *Bahai and Kariari* entry point in Ennedi Est province.

The main trends to be highlighted from the interviews are as follows:

### Access to the asylum country

- **56%** of households surveyed fled Sudan because of insecurity, while 18**%** cited reasons related persecution.
- **64%** declared that they had been victims of human rights violations during their flight to Chad, including 27% **physical attacks**, 20% **extortion of property** and 3% **sexual violence**.
- **62%** of households surveyed said that members of their family were still in Sudan because of a **lack of means of travel** (60%), **fear of arbitrary arrest** (21%) .

### Education

- **35%** of households indicated that their children dropped out of school due to the crisis**.**
- **97%** of households have children at school age**.**

### Child protection *

- **56%** and 28**%** of households respectively say they have access to **medical services** and **hygiene services** (water, latrines, etc.) for their children.

### Documentation

- **7%** have **birth certificates** and 20**%** have **citizenship certificate.**
- **58%** of households don't have **documents and** claimed that their documents were **lost** or **burnt** (91**%**) or **confiscated** while fleeing to Chad(1**%**).

### Community engagement *

- **How to access services (37%) and news on the country of origin (26%)** are the types of information preferred by the households surveyed
