Trends, Highlights and Challenges

- UNHCR is transitioning to fully digitation of cash assistance through mobile wallets. Currently, some 97% of households in Zaatari have a refugee-owned mobile wallet account.
- 99 newborn babies since the beginning of this month.
- More than 2,300 cases were processed by registration team for different registration issues including documentation renewals.
- The majority of the refugee shelters need maintenance particularly during winter time

Key Facts and Figures

- More than 22,000 children currently enrolled in education, this represents 74% of children in the camp
  - 22,064 children from kindergarten 2 to grad 12 (50% female) enrolled in formal education
  - 297 children (47% female) enroled in Ministry of Education accredited non-formal education
  - 8,178 children benefittting from integrated learning support offered by UNICEF Makani centers
  - 32 schools, 13 KGs and 58 community centres
- As of the end of September, a total of 2,096 active work permits, including 10% females; this represents around 3% of Zaatari's working-age population.
- Around 3,600 refugees, including 38% female, engaged in the Incentive-Based Voluneer (IBV) scheme, the scheme allows refugees to work with organisations in the camp as paid volunteers.
