UNHCR JORDAN
March 2026

UNHCR The UN Refugee Agency

UNHCR Jordan has one of the largest refugee helplines in the world, answering over 130,000 calls per month. Since its inception in 2008, staff on the helpline have responded to over 21 million calls, to date. The system uses Interactive Voice Response (IVR) technology, where automated information is delivered on key topics, while 10 dedicated staff are available for more complex and emergency calls.
