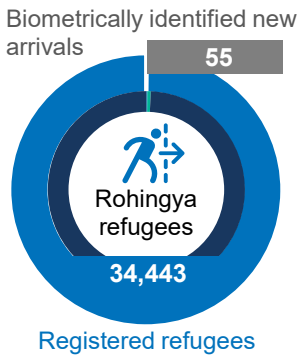
34,498 individuals

7,821 families



1990s registered refugees

193 individuals **52** families

In early 1990s, Rohingya flee violence and persecution in Myanmar's Rakhine State. While most return, some remain in Bangladesh with the status of 'registered refugees'.

Post-2017 refugees

34,250 individuals **7,742** families

In August 2017, more than 740,000 refugees flee military clearance operation in Myanmar's Rakhine State, in the largest and swiftest forced movement in the region in decades.

Biometrically identified new arrivals

55 individuals **27** families

From 2024, targeted violence and persecution in Myanmar's Rakhine State forces thousands of Rohingya to seek safety in Bangladesh. Unlike refugee registration, biometrically identified individuals are not issued with individual refugee identity documents, rather family cards to facilitating lifesaving assistance.
