II.	Q3 Reporting
	Refer to Annex 1
III.	Sector Gaps Analysis in Beirut and Mount Lebanon
	Will be moved to an in-focus separate discussion. Partners who have input on Gaps are requested to share them bilaterally.
IV.	Field Updates
	UNHCR: They had an internal discussion about the identified CSP projects and currently, they have 6 projects that are approved and ongoing: A rainwater project in the Southern Suburbs of Beirut, solarization of a well in Choueifat el Amrousiyeh, solarizing a water station covering 11 villages in Kesserwan (Bouar, Al Safra, Okaibe, Jounieh

	(Haret Sakhr + Ghadir), Harissa, Zouk Mosbeh, Zouk Mkhayel, Sahel Alma, Sarba, Tabarja) in close coordination with the water establishment, will be solarizing a chlorination system of a water station in Naher Ibrahim due to the complexity of the site, around 400 solar street lights in Aley covering mainly three main roads, and a solar street lights project in Katermaya. They are currently in the design and started the procurement process. Additionally, they are still identifying new projects with other prioritized municipalities with close cooperation with UNICEF as they are also planning to support schools and PHCCs with solarization. IRC: Ongoing protection monitoring. Bloom: No updates. LNE: Exploring potential solar projects in the Kesrouan area as well as small tentative waste management projects in the BML area. Dorcas Tabitha: Planning to implement conflict resolution sessions for youth in BML. ACA: No SoST updates at this level. CDLL: Currently continuing their activities under the prevention program under resilience skills. The program is implemented in Schools mainly in Ashrafieh, Jbeil, and Jounieh targeting all classes (Grade 1 to Grade 12). UNICEF: Usual youth programs are ongoing. Developing a platform for volunteering in partnership with Live Love Lebanon and MoSA that will be launched soon. INTERSOS: Working with UNHCR. They have six approved projects till now (as mentioned by UNHCR). They are also identifying extra projects. Besides the UNHCR project, they are at the final stage of rehabilitating a school with ARCS. Partners are requested to fill in their 2023 plans through the following link: Annex 2.
