Access to Documents and Services for Asylum-Seekers and Refugees in Sana'a

Asylum-seekers and refugees registered in Sana'a can now renew their documents on a routine basis at the **Bureau of Refugee Affairs (BRA)** in Sana'a. Holding an up-to-date asylum-seeker/refugee document is important for your **protection** as an asylum-seeker or refugee in Yemen, and facilitates your **access to services** provided by UNHCR and the national authorities

You and your family should approach BRA as soon as possible to renew your expired/out-of-date asylum-seeker or refugee document

After **15 October 2023**, it will no longer be possible for UNHCR to provide services to individuals holding expired documents.
Individuals approaching UNHCR or its partners after this date will need to first renew their documents with BRA, before being assisted
