EMERGENCY SITUATION IN CHAD

Update on arrivals from Sudan

19 Jul. 2026

Since April 2023, the CNARR, UNHCR and IOM monitor and assist an influx of Sudanese refugees and Chadian returnees arriving in the provinces of Ouaddai, Sila, Wadi-Fira and Ennedi Est. Humanitarian agencies support the Chadian Government and local authorities to provide lifesaving assistance and protection services. The Government and UNHCR assisted 69% of refugees to relocate from spontaneous arrival sites to extended and newly established settlements where refugees and host communities benefit from the services delivered by humanitarian teams.
