Trends, Highlights and Challenges

- UNHCR is transitioning towards distributeing cash assistance through mobile wallets, with some 99% of households in Zaatari now using a mobile wallet account
- 273 newborn babies since the beginning of this month
- More than 9,709 cases were processed by UNHCR for different registration issues including documentation renewals
- The majority of the refugee shelters need maintenance particularly during winter time

Key Facts and Figures

- More than 22,000 children currently enrolled in education; this represents 74% of children in the camp
  - 22,064 children from kindergarten 2 to grade 12 (50% female) enrolled in formal education
  - 297 children (47% female) enroled in Ministry of Education accredited non-formal education
  - 8,178 children benefitting from integrated learning support offered by UNICEF Makani centers
  - 32 schools, 13 kindergartens and 58 community centres
- As of the end of September, a total of 2,282 active work permits, including 10% female; this represents around 8% of Zaatari's working-age population
- Around 3,208 refugees, including 42% female, engaged in the Incentive-Based Voluneer scheme, which allows refugees to work with organisations in the camp as paid volunteers
