- Provision of seasonal and supplementary NFIs

OVERVIEW

As a leading agency of Non-Food Items (NFIs) assistance, the distribution of NFIs remains as one of the most crucial activities for UNHCR Libya operation. Through its partners, International Rescue Committee (IRC) and the Libyan Association for Aid (LibAid), UNHCR reached out to the most vulnerable of its persons of concern including IDPs, refugees and asylum seekers in urban and in detention centers as well as those who are rescued at sea as part of its life-saving activities.

Since January 2021, UNHCR managed to reach 18,971 individuals with NFIs and 6,627 individuals with HKs in different areas in Libya. During May, UNHCR through its partner LibAid, managed to distribute 1,536 NFIs/HKs targeting refugees and migrants in the East detention centers (Alkufra, Ganfouda and Ejdabia). During the same reporting period, UNHCR through its partner IRC, reached 354 individuals in the CDC and 682 disembarked individuals received NFIs at Tripoli Naval Base. UNHCR also managed to distribute urgent NFIs assistance to 129 individuals of the cancelled Rwanda flight in the CDC through direct implementation.
