

UNHCR in collaboration with Refugee Returnee Service (RRS) and partners provides emergency shelters, site development, and transitional shelter solutions to both refugees and asylum seekers in all sites.

Strategic Objectives:

- Enable refugees to live dignified lives in secure settlements with greater opportunities for self-reliance.
- Enhancing refugee's access to adequate housing and improved living conditions.
- Engagement of refugee and host communities in provision and design of shelter solutions.
- Foster collaboration on shelter and settlement sector response with development partners and private the sector in line with the Global Compact on Refugees (GCR) and the Comprehensive Refugee Response Framework (CRRF).

Key figures

813,431

Total refugees registered in camps and sites (92% of total 916,436 refugees registered in Ethiopia)

156,341

Households (HHs)
Average HH size : 5

Impact indicator

38%

Households living in adequate dwelling
59,299 HHs
308,528 Individuals

62%

Households living in inadequate dwelling
97,042 HHs
504,903 Individuals

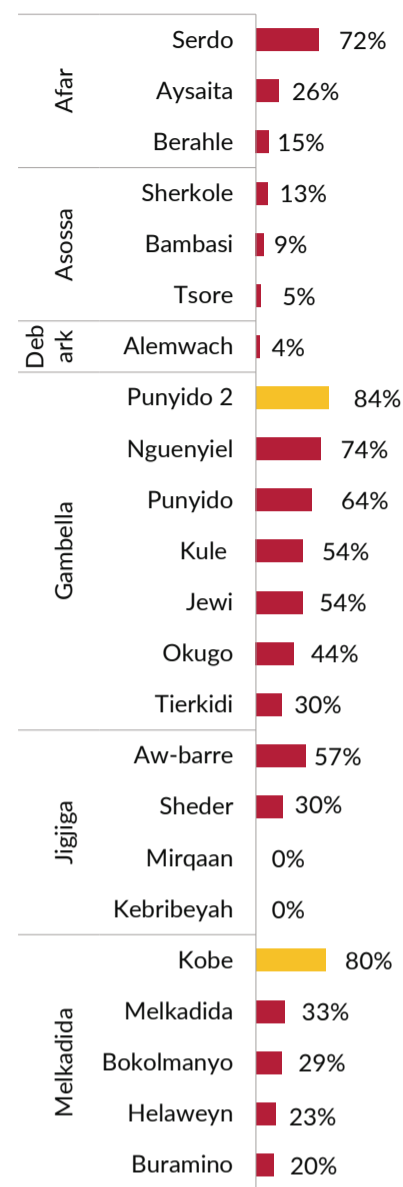

23

Total refugee camps, sites and settlements

Standard 100%

Acceptable (≥95%) Unacceptable (94% - 80%) Critical (≤79%)

% of Households s living in adequate dwelling by camp and site
