ABOUT US

Kalobeyei Initiative for Better Life (KI4BLI) is a dynamic, community-driven organization that fosters sustainable community development, empowerment, and resilience within the Kalobeyei settlement and surrounding areas. With a strong focus on education, economic empowerment, and Development, KI4BLI was founded in 2018 by young refugees to address the growing needs and aspirations of the Kalobeyei settlement community. It serves as a vital platform for community members, particularly refugees and vulnerable populations, to thrive and shape their future. KI4BLI has employed 50 staff and 3 volunteers in 2025.
