LEBANON Response Plan

Guidance Note:
Regular LRP Activities Reporting

Purpose

Partners are expected to report regular Lebanon Response Plan (LRP) activities on ActivityInfo on a monthly basis. Timely reporting is critical to ensure accountability, transparency, and effective monitoring of the response's progress. It also feeds into sector dashboards and advocacy efforts.

Guiding Principles

1. Log in to https://www.activityinfo.org/login.
2. Navigate to the **"LEBANON - 01. 2026 LRP Sector Reporting"** folder.
3. Report under the relevant sector by the 15th of each month.
4. Partners are kindly requested to ensure that all inputs are entered accurately.

Need Help?
For any questions, support in reporting, or access issues, please contact your sector IM focal point listed on the National Inter-Sector Coordination Group Mailing List.
