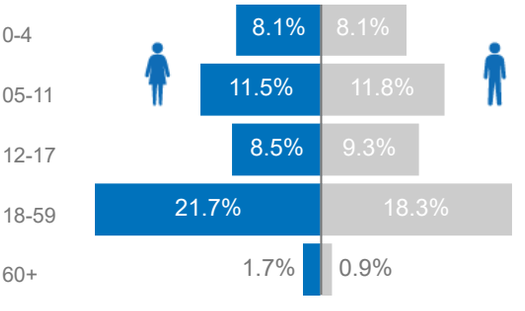
Age & Gender Breakdown



Since the start of 2023, more than 115,500 individuals (including 25,900 new births) have been registered in Uganda, 30% of whom are new arrivals from South Sudan and 16% from the DR Congo. There was an increase of 11,487 individuals (0.7%) in the population from last month, resulting mainly from new arrival and continuous registration activities. Notably, the number of registered Sudanese increased since the start of the Sudan conflict in April, averaging more than 1,300 per month over the last three months.
