Agenda	➢ Updates on the ad hoc completed Relocation Schemes of UAC from Greece to Luxembourg and Germany (UNHCR, IOM) ➢ Update on the broad relocation scheme for UAC to be initiated soon (UNHCR) ➢ Updates on the reception centers of Malakasa II and Kleidi for the UAC population (IOM) ➢ AOB	
Updates on the ad hoc completed Relocation Schemes of UAC from Greece to Luxembourg and Germany (UNHCR, IOM)	UNHCR provided an update on the implemented Best Interest procedures, the role of UNHCR, the operational framework and the lessons learnt during the successful completion of the two ad hoc relocation exercises for the transfer of UAC from Greece to Luxembourg and to Germany in April 2020. Please see further information in the attached presentation by UNHCR. IOM provided an update on the IOM's role on provision of adequate care to UAC during the phase of pre-departure from Greece and during their transfer for the two ad hoc relocation exercises. Please see further information and IOM's recommendations in the attached presentation.	**Action Points:** **UNHCR to share the PPT presentation of UNHCR and IOM**
Update on the broad relocation scheme for UAC to be initiated soon (UNHCR)	The two ad hoc relocation exercises for the relocation of UAC from Greece to Luxembourg and to Germany aimed to further generate and trigger the interest of the EU MS on the relocation of UAC from Greece and to provide pledges. No further information are available at the moment as all discussions for the implementation and initiation of the broad relocation scheme of approximately 1600 UAC are still ongoing. The finalised SOPs describing the whole process and the elibility criteria are still to be received.	**Action Points:** **N/A**
Updates on the reception centers of Malakasa II and Kleidi for the UAC population (IOM)	Kindly see below the information shared by IOM on the UASC hosted in the sites of Malakasa and Kleidi, as of 14/05/2020. As already clarified during the CPsWG meeting, the specific sites were initiated as "closed" sites but they gradually evolved to open sites which is currently their status. ❖ Total # of unaccompanied children and total # of separated children in Malakasa and Kleidi: -Unaccompanied minors: New Malakasa: 36, Kleidi: 35 -Separated: New Malakasa: 21, Kleidi: 13, for all PP has been notified	**Action Points:** **N/A**

DRAFT
