End of Year Update on

Support to Lebanese 2023 Under the Lebanon Crisis Response Plan

Inter-Agency Coordination Lebanon

In 2023, partners collaborating to deliver the Lebanon Crisis Response Plan (LCRP) provided assistance and support to vulnerable Lebanese, displaced Syrians, Palestine Refugees in Lebanon and Palestinian Refugees from Syria living across all governorates in Lebanon. Under the response plan, each sector targeted its activities based on assessed needs. Partners delivered activities at the individual, household, community and institutional level depending on the type of activity and the needs identified.

This dashboard summarizes examples of assistance and support provided specifically to vulnerable Lebanese across sectors under the LCRP.

Food Security & Agriculture

468,490*
Lebanese benefitted from cash assistance through the Food Security and Agriculture sector

383,655
Lebanese received in-kind food assistance

21,381
Small-scale farming households and members were supported with training, technical assistance, and inputs to improve agricultural practices

6,081
Lebanese benefitted from support provided to households in accessing labour/training in the agricultural sector

Education

277,000
Lebanese children were able to enroll in public schools, through support to public schools by partners, in the 2022-2023 school year
