# Rwanda
# Child Protection Situation Analysis Dashboard
January - May 2024

At the end of 2023, Rwanda hosted slightly over 134,000 refugees, mainly from the Democratic Republic of the Congo (DRC) and Burundi. Of these, 76% are women and children. At least 12,700 refugees reside in urban areas. UNHCR's work focuses on protection, emergency preparedness and delivering services, including clean water, shelter, and health. Long-term projects include initiatives for economic inclusion and refugee education. The below figures summarize the activities of UNHCR in the area of Child Protection.
