RESPONSE SNAPSHOT

01 January - 31 October 2020

140,924

Individuals benefited through innovative community spaces created using Refugee Housing Units (RHUs). Thus far 103, (32%) RHUs have been erected against an overall target of 320

BENEFICIARIES BY PROVINCE

USE OF REFUGEE HOUSING UNITS (RHU)

RHU is a self-standing, sustainable and durable shelters, designed through a collaboration between UNHCR and the IKEA Foundation

-

COMMUNITY CENTERS

Erected to allow individuals with diverse backgrounds to meet for social events, recreation, educational opportunities, livelihoods programmes, information exchange, and other purposes, providing a forum to promote their participation in decisions that affect their lives.

6

TRANSIT CENTERS

Erected to provide additional space in UNHCR's repatriation processing centres where returnees receive basic healthcare, malnutrition screening, mine risk education, back to school information, legal counselling, SIM card distribution, and SGBV awareness raising, along with child friendly spaces and transit accommodation.

21

HEALTH CLINICS

Erected to help alleviate health disparities in vulnerable communities, offering space for urgent care clinics and preventative health screening, and to store vaccinations, medications and other supplies.

76

SCHOOL CLASSROOM

Erected to provide students with a more conducive and safer environment in which to study, with additional classrooms that have proper ventilation, enough space to sit, and protection from rain, sunlight, wind, and dust.
