

REFUGEE ENGAGEMENT FORUM

PLEDGES BY THE REFUGEES IN UGANDA – 2023

THEMATIC AREA: CLIMATE ACTION AND ENERGY

“Refugees in Uganda pledge to support actions and interventions towards environmental protection and restoration for refugees and host communities.

- ❑ Refugees pledge to plant 7.5 Million trees around households and woodlots by 2027.
- ❑ Refugees pledge to work closely with the local Government to enforce the laws and by-laws on environmental protection within the settlements.”

THEMATIC AREA: EDUCATION

“Refugees in Uganda pledge to continue advocacy to all refugee parents to enrol children of school-going age to Early Childhood Development (ECD), primary, secondary, and tertiary institutions.

Refugees pledge to actively participate in education by embracing cost-sharing and monitoring children’s performance at school.”

THEMATIC AREA: SELF-RELIANCE AND RESILIENCE

“Refugees in Uganda pledge to use their skills, knowledge, and available assets to engage in on-farm and off-farm income-generating activities to improve on household income.

Refugee leaders pledge to encourage community members to champion positive mindset change and actively participate in capacity building, skilling, and entrepreneurial training programs for both youth and adults.”
