Rohingya refugee population in Bhasan Char

37,028

256

1990s registered refugees

In early 1990s, Rohingya flee violence and persecution in Myanmar's Rakhine State. While most return, some remain in Bangladesh with the status of 'registered refugees'.

36,751

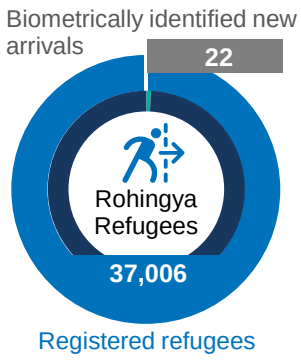
Post-2017 refugees

In August 2017, more than 740,000 refugees flee military clearance operation in Myanmar's Rakhine State, in what was the largest and swiftest forced movement in the region in decades.

22

Biometrically identified new arrivals

From 2024, targeted violence and persecution in Myanmar's Rakhine State forces thousands of Rohingya to seek safety in Bangladesh. Unlike refugee registration, biometrically identified individuals are not issued with individual refugee identity documents, rather family cards to facilitating lifesaving assistance.



Persons with specific needs (PSN)

*An individual may have more than one specific need, The total unique persons with specific needs is 2,902
