UGANDA

Sudanese Refugees and Asylum-Seekers

as of 19 October 2025

Context

The conflict in Sudan has caused a steady increase in the number of refugees arriving in Uganda. While the pace of new arrivals surged in 2024, inflows have slowed in 2025. As of now, over 91,563 Sudanese refugees are registered across the country. The Government of Uganda, UNHCR, and partners continue to provide protection and assistance to these individuals, who are part of the 1.95 million refugees who call Uganda home.
