Incentive Based Volunteering in Azraq Camp

February 2026

Basic Needs and Livelihoods Working Group

The incentive-based volunteer scheme (IBV) aimed at providing refugees living in Azraq Refugee Camp with basic means to enhance their resilience and self-reliance due to the lack of livelihood means in the camp. The Incentive- Based Volunteering Scheme (IBV) has been a key aspect of refugee participation in the delivery of humanitarian assistance and other services in the camp. The factsheet contains information shared by the different humanitarian actors engaged in the IBV scheme.

Feedback by community members:

- **Community members asked to increase the number of IBV opportunities specially that many of them are considering collecting some money to be able to return to Syria.**
- **The most frequently reported issue was the lack of access sustainable sources of income, which increases dependency on humanitarian assistance and limits economic self-reliance.**
