Data sources:
Administrative boundaries provided by OCHA
Conflict area source: liveuamap

Note: Data, designations and boundaries contained on this map are not warranted to be error-free and do not imply acceptance by the REACH partners, associated, donors mentioned on this map.

* An overview on % of the sites that received any humanitarian assistance the last 7 days before data collection in July and the types of assistance received per oblast. Multiple responses were permitted, thus the sum might exceed 100%.

** Less than 50 sites were covered per oblast. Findings should be read as indicative rather than representative.

REACH An initiative of IMPACT Initiatives, ACTED and UNOSAT
