- As of May 2, 2023, it was determined that 44.727 households had withdrawn their assistance worth 134.181.000 TL from ATMs/bank branches, according to the analysis made on Halkbank statements.

Updates: Cash for Work & Cash for Hygiene

- **Cash for Work**
- **Cash for Hygiene**

What is Cash for Work?

1

Providing income support to poor, vulnerable householdsa through short-term, intensive and unskilled labour

- Address basic needs
- Prevent negative coping mechanisms
- Stimulate local economies

2

Building or rehabilitating community productive assets (e.g. irrigation canals, water harvesting systems, etc.) and restore agricultural activities through reforesta-tion, land rehabilitation, etc.

- Build or rehabilitate productive assets
- Sustainably manage water and land
- Reduce the impact of natural hazards and promote climate change adaptation and mitigation
- Enhance livelihoods resilience to shocks and crises

(FAO Cash and Voucher Toolbox)

Cash for Work – Legal Framework in Türkiye

1) Public Work Programmes (TYP) of ISKUR (for Turkish citizens)

Response to prevent unemployment resulted from Natural disasters, pandemic, emergency situations, social crises, etc.

The workers employed through ISKUR for TYP can work in:

- Public institutions
- Non-governmental organizations

The programme details such as the process for the registration of the beneficiaries, applications and selection should be defined in the MoUs to ensure the quality implementation without any procedural challenge.

In what areas can TYP be carried out?

- Environmental cleanup
- Renovation of public infrastructure
- Landscaping in public schools affiliated to the Ministry of National Education
- Maintenance, repair and cleaning works
- Restoration and protection of historical and cultural heritage
- Afforestation
- Park arrangements
- Valley and stream rehabilitation
- Erosion prevention works

Priority criteria

- Women
- Individuals over 35 years old
- Individuals with disabilities
- Former sentenced person
- Those who were wounded in the fight against terrorism in a way not to be considered disabled

Citizenship: The applicant must be a citizen of the Republic of Turkey and be a citizen on the date of application.
Registration: The applicant must be registered with the ISKUR on the date of application.
Age: The applicant must have completed the age of 18 and must not have reached 19 years of age on the date of application.
Pension: The applicant must not be receiving a pension or invalid pension. Those who receive permanent incapacity allowance can participate.
Student: The applicant must not be a student except for open education students.
Insurance: The applicant must have the same insurance policy being reported to the Social Security Institution, excluding voluntary insurance, and must not fall under certain insured categories.

Expenses that could be Met within the Scope of the Program
