Africa Forum on Displacement – Private Sector Solutions

1 to 3 November 2023, Accra, Ghana

Objectives

- Continue the dialogue of engagement with private sector stakeholders on the topic of displacement in Africa.
- Take stock of the pledges and commitments made in 2021.
- Reinvigorate action towards private sector solutions to support refugees and displaced persons and the communities that host them.

Highlights

- Refugee youth set the tone
- Uniquely African – including multistakeholder nature of event, despite focus being PS
- Interest from over 700 individuals. 550 people pre-registered to attend the event, 294 individuals participated in person. And over 380 joined the virtual live streaming through the two days.
- 56 speakers from 20 different countries. 91% of the speakers were from across Africa, 41% were refugees or displaced persons and 34% were young people (youth).
- 22 Pledges and Commitments
- Connections and networks
- Progress and growth from Kigali 2021
- AFD 3…… coming soon!
