

Mixed Movements Response

January – April 2024

In 2024, **139,267 refugees and migrants** crossed the Darien jungle in search of protection and better opportunities – **nine per cent more** than in the same period of 2023. Most come from Venezuela, Ecuador, Haiti*, and Colombia. Many come from as far as China, Bangladesh, and Afghanistan.

UNHCR, national authorities, and partners respond to protection, gender-based violence, health, shelter, and legal needs of refugees and migrants and support transit and host communities in **Darien and Chiriqui**.

KEY ACHIEVEMENTS

17,291

People informed on the risks of the journey, Panama's asylum system, and services at the ETRMs**

282

Non-food items (including Core Relief Items) distributed to people at the ETRMs, transit, and host communities

1,108

People received primary healthcare and first aid services at the ETRMs

8,717

People received counseling and legal assistance services related to Panama's asylum system

100

People supported with mental health and psychosocial support services (MHPSS), including safe spaces

242
