Mid-year Results

January – June 2026

UNHCR in **Haiti** supports **internally displaced people, persons at risk of statelessness,** and other **forcibly displaced populations.** The country hosts **nearly 1.5 million** internally displaced people, and since June, more than **140,000 persons** have been forcibly returned to Haiti, many arriving without documentation or resources and highly vulnerable as a result.

Working closely with the Government and non-government partners, UNHCR addresses displaced people's protection, documentation, legal, and basic needs, helping them **rebuild their lives with dignity, strengthen self-reliance, and pursue durable solutions.**
