Lebanon Protection Sector: At a Glance

September 2026

The Protection Sector Q3 Dashboard presents a snapshot of achievements from January to September 2026 under the regular LRP, Flash Appeal response and LRP Addendum. This dashboard includes data from the ***Genral Protection***, ***Child Protection and Gender-Based Violence Sub-Sectors*** across prioritized indicators for all population groups. The Protection Sector aims at ensuring that affected populations in all their diversity live in a safe, dignified, inclusive, and protective environment where their fundamental rights are respected, they are meaningfully engaged, and they have access to quality protection services.
