DRAFT

AAP Task Team – Minutes of Meeting on 12/7/2021

Participants: AHA, CAFOMI, DCA, DRC, FCA, GTS, HI, IRC / U-Learn, UNFPA, UNHCR, URCS, WCH

Main Points of Discussion	Action Points
1. Review of minutes of previous meeting **Action points** • Co-chairs to circulate updated draft template on "Overview of Urgent Gaps" template for any further comments. (Done) • Co-chairs to circulate template for Task Team members to provide input on funding gaps to deliver prioritized interventions for the second half of 2021 (Done, members who have not yet provided inputs are invited to do so by COB 12 July) • Once the updates from all locations are received, UNHCR to share the updated COVID-19 CwC mechanism mapping with members to complement on any mechanisms that have not been captured (Done)	
2. COVID-19 Business Continuity Plan (BCP) – discussion on activities of life-saving / emergency nature • The key elements of the BCP for the AAP Task Team were presented in the National Refugee Protection Working Group (NRPWG) in its meeting of 6 July. During the meeting, there was a general recommendation to highlight which activities in the BCP are of life-saving / emergency nature which need to continue despite the contingency measures as per OPM's letter dated 22 June to suspend activities that are not life-saving or emergency nature. While there was general agreement in the NRPWG that risk communication is of life-saving /emergency nature, the purpose of this discussion is to jointly review in the Task Team which activities meet that threshold. • Upon review of all activities in the BCP, members agreed to highlight all activities in the BCP as critical and life-saving. Some were merged to avoid repetition. • The updated BCP will be shared with the NRPWG.	• UNHCR to share updated BCP within the Task Team and with the NRPWG.

3. Partner updates / situation updates • **AHA:** Conducted meetings with community leaders in Kmapala to create awareness on COVID-19. Bulk messaging with COVID-109 messages and engagement with local leaders to convey messages to their communities in their language. Also supported community members with testing and medication • **WCH:** Continuing with sensitization in Kyaka, Kyangwali and Bibibidi. Engaging 55 community facilitators to share COVID-19 messages. MHPSS helpline was reactivated in Kyaka, Kyangwali and West Nile, has been active for the last 10 days and 100 calls have been received. If any partner has capacity to support, any offer would be welcome.	
4. AOB • Date of next meeting will be communicated, taking into account the absence of some members due to leave . • Reminder for members that have not yet provided input to the funding gap analysis to do so by COB 12 July.
