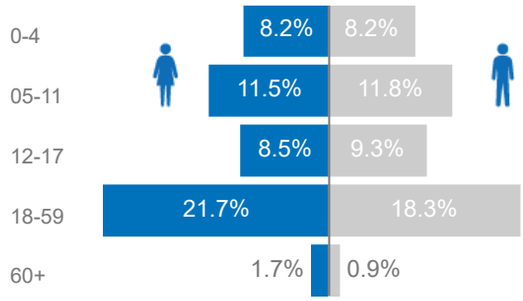
Age & Gender Breakdown



Since the start of 2023, more than 130,600 individuals (including 28,300 new births) have been registered in Uganda, 28% of whom are new arrivals from South Sudan and 15% from the DR Congo. There was an increase of 14,772 individuals (0.9%) in the population from last month, resulting mainly from new arrival and continuous registration activities. Notably, the number of registered Sudanese increased since the start of the Sudan conflict in April, averaging more than 1,800 per month over the last three months.
