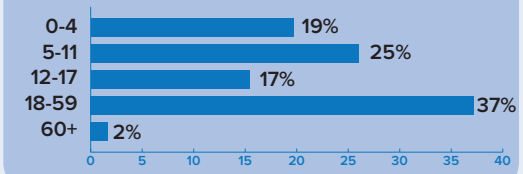
AGE BREAKDOWN



Trends, Highlights and Challenges

- UNHCR through its partner starting the Winter Response Plan, through resharing the stormwater system and cleaning the culverts.
- An average of 5,149 health consultations per week, 85 cases were referred outside the camp which is higher compared to 66 referrals in September, and 21 deliveries per week.
- Total of 1,164 pieces donated by Alaqarya Company were distributed to 73 families consisting of 532 individuals (including 124 females and 171 children) through NRC.

Key Facts and Figures

- Around 12,000 children are currently enrolled in education; this represents 69% of children in the camp.
  - Around 11,800 children from kindergarten 2 to Grade 12 (50% female) are enrolled in formal education.
  - Around 200 children (52% female) enrolled in the Ministry of Education accredited non-formal education.
  - 15 schools and 5 standalone kindergarten 2 centres
- As of the end of October, around 1,250 active work permits holders, including 10% female, are registered in the database; this represents around 8% of Azraq's working-age population.
- Around 1,700 refugees, including 44% female, are engaged in the Incentive-Based Volunteer scheme, which allows refugees to work with organizations in the camp as paid volunteers.
