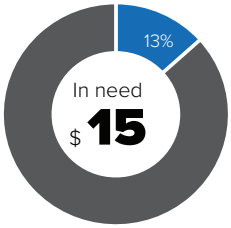
Rwanda
Education Sector Dashboard
January - June 2024

OVERVIEW

The data for this dashboard for Education Sector was collected and reported by UNHCR, implementing and operational partners in response to the DR Congo and Burundian crisis as of June 2024. It shows progresses in project implementation and funding status during the reporting period. It summarizes achievement and challenges and highlights foreseen needs for the mid-year.

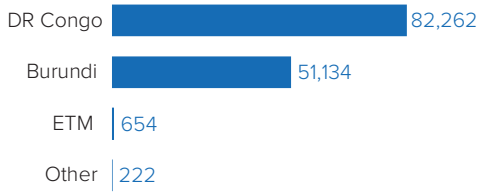
Fundings *(as of 31 march 2024)*



RECEIVED
$ 2 MILLION

GAP
$ 13 MILLION

Population *(June 2024)*



134,272
Forcibly Displaced Persons

49%
of Forcibly Displaced Population are Children

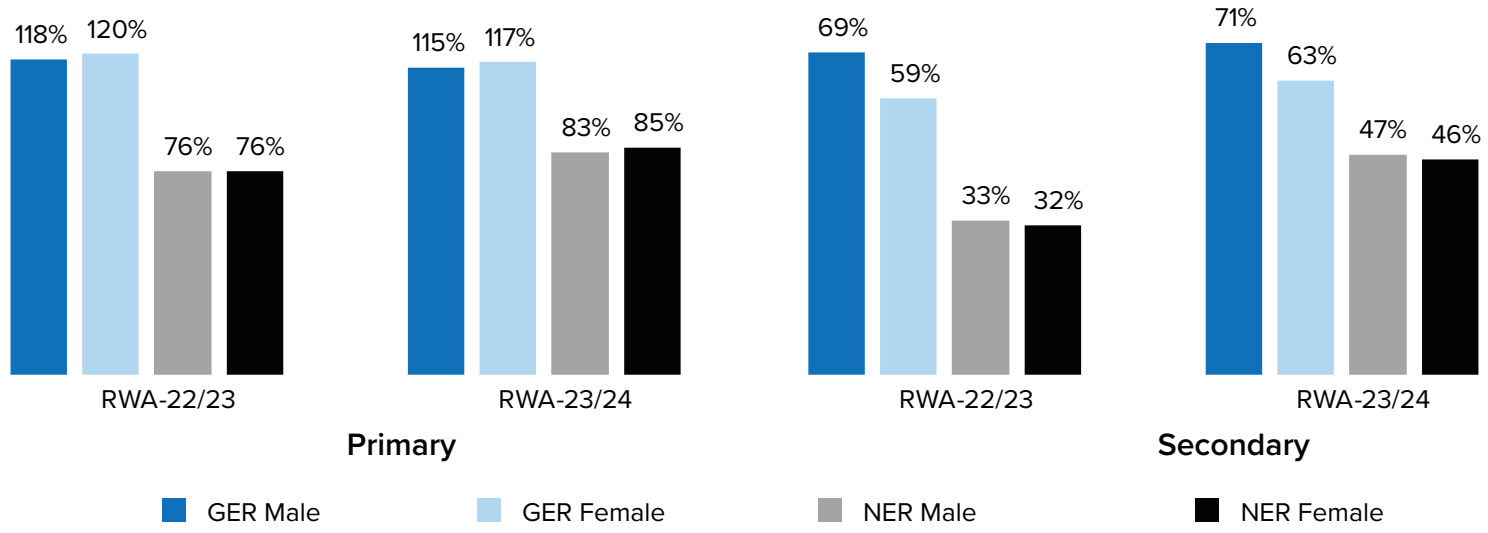
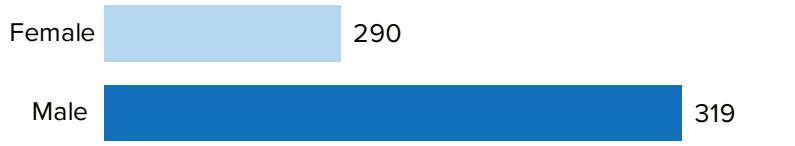
Gross and Net Enrolment Rates (GER and NER) comparison by gender and by school year

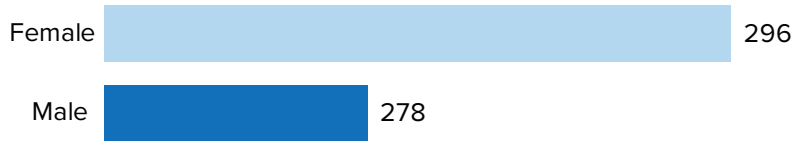


Key Achievement in 2023/2024

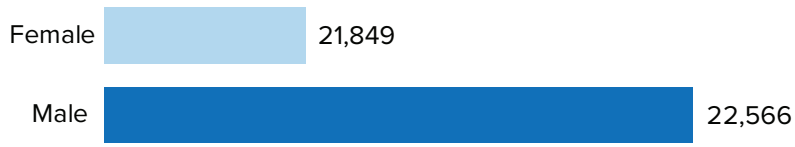
Refugees supported with Higher Education Scholarships *(including through Connected Education and Complementary Pathways)*



Number of Teachers trained in 2023/2024



Total Pupils attending schools and higher education 2023/2024



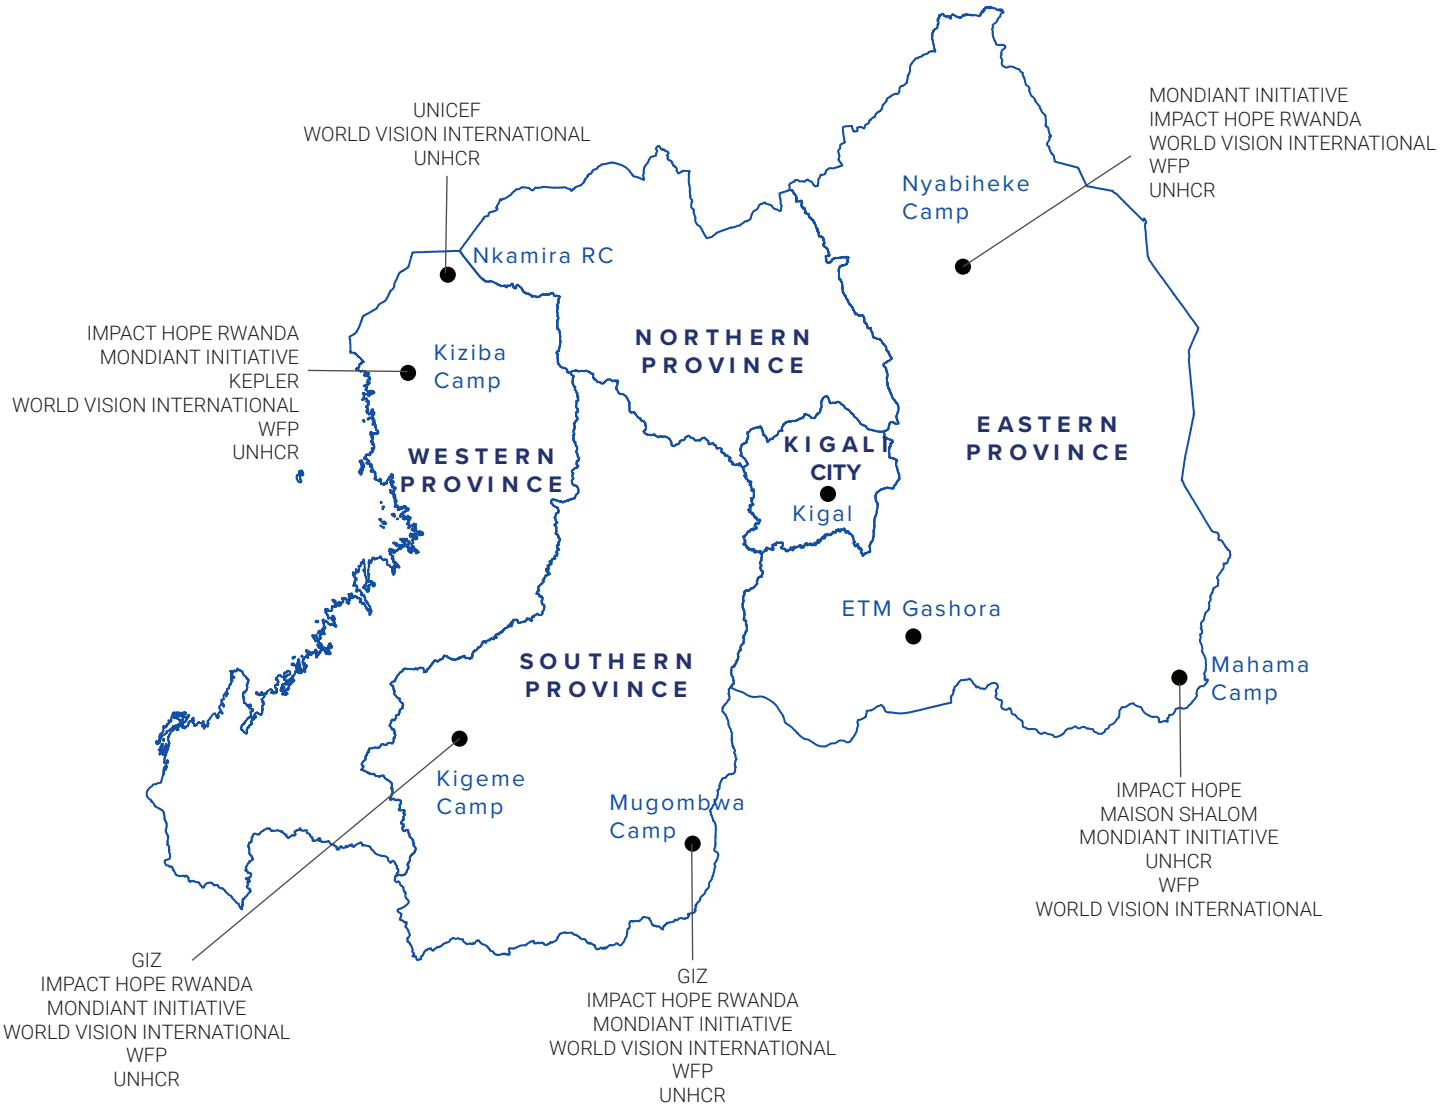
- All major refugee hosting schools nearby the camps are public schools fully managed by the Government through MINEDUC.
- Refugee education data is included in the national EMIS (Education Management Information System)
- Through UNHCR/ProFuturo partnership, more than 16,000 upper primary students (both refugees and nationals) are being supported with connected learning program across the 15 major schools hosting refugees.

For more information, please contact : Mediatrice Uwera <uweram@unhcr.org> UNHCR Associate Education Officer, Cyrille Ble <ble@unhcr.org>, Information Management Officer

Constraints and Gaps

- Two camp-based schools in Kiziba (Umubano Primary School and College Amahoro), follow the national curriculum but are considered as private schools under UNHCR.
- Due to financial constraint, UNHCR does not fully support refugee students with scholastic materials and school uniforms.
- Refugees do not get student loans to access tertiary education and scholarships from different partners are still few.

Partners Presence by Camp



* **Gross Enrolment Rate:** *Total number of students enrolled in a specific level of education, regardless of age, expressed as a percentage of the official school-age population corresponding to the same level of education in a given school year.*

* **Net Enrolment Rate:** *Enrolment of the official age-group for a given cycle of education expressed as a percentage of the corresponding population.*
