1. Report on the Roma history sessions by Tarna Rom, UNHCR and UNICEF with teachers in educational institutions

2. Roma mapping updates and decrease in the number of beneficiaries in the RACs

Main points:

- **Exercise will be implemented by the end of the year**
- **Current organisations involved: Tarna Rom, INTERSOS Moldova, OHCHR, UNHCR, WeWorld, ROMNI, Association of Community Mediators, ARI**
- **Data collection in 2 stages: i. Quantitative data collection through survey; ii. FDGs in locations with greater protection concerns identified (max. 6)**

We are noticing a drastic decrease of the number of roma refugees present in the country, prior to the winter season.

3. Mapping of organizations working in the private accommodations

4. Discussion on Roma citizens of Moldova who have been living in Ukraine

5. Update on RAC T6

6. AoB
