Lebanon Protection Sector: At a Glance

September 2025

The Protection Sector Q3 Dashboard presents a snapshot of achievements from January to September 2025. This dashboard includes data from the Child Protection and Gender-Based Violence Sub-Sectors for prioritized indicators for all population groups. The Protection Sector aims at ensuring that affected populations in all their diversity live in a safe, dignified, inclusive, and protective environment where their fundamental rights are respected, they are meaningfully engaged, and they have access to quality protection services.
