

Since the end of November 2024, Renk County has seen a significant surge in arrivals from Sudan, driven by escalating violence and insecurity in Sudan. A growing number of returnees and refugees enter South Sudan through informal border crossings, bypassing Joda official point and settling directly within host communities. This dashboard provides an overview of the operational presence and activities addressing the needs of new arrivals and host communities as of December 2024.

 **10**
locations

 **27**
Operational partners

 **82,516**
returnees and refugees
in communities
