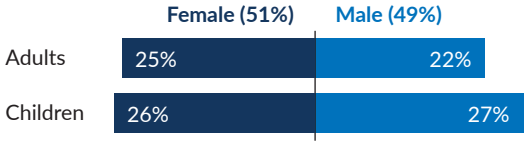
Demographic



Context

Since January 2025, over 69,000 people arriving in Burundi from the Democratic Republic of Congo are in need of international refugee protection. The refugees include rural and urban populations fleeing conflict from the DRC, and some returning Burundians. Most arrivals are from Bukavu, Saké, Minova, and Goma. In response, the Minister of the Interior has granted prima facie refugee status to those seeking protection.

Total new arrivals (cumulative since 3 Jan. 2025)

Number of people
