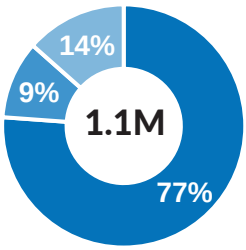
Population by nationality

851,590 Sudanese

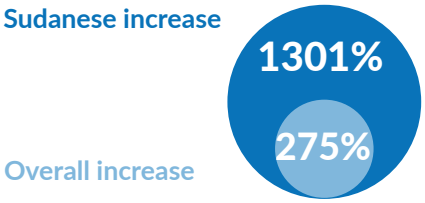
98,089 Syrians

152,065 Other Nationalities

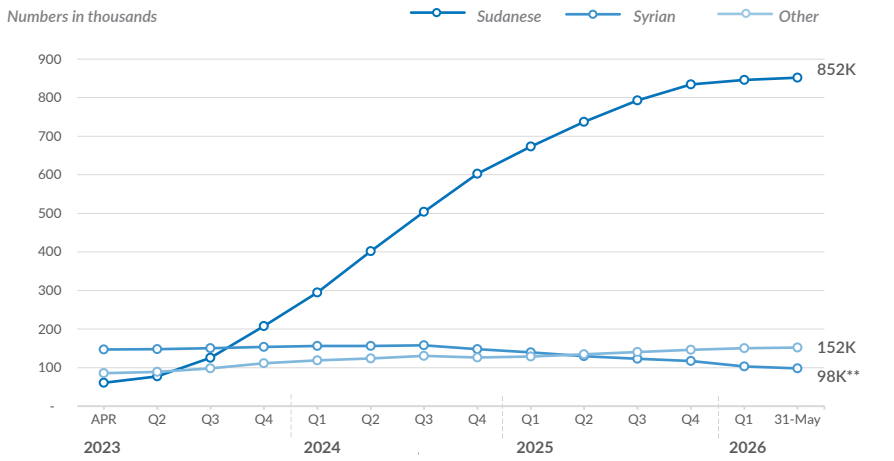


Population growth

Percentage growth in Sudanese refugee numbers versus all nationalities between 31 March 2023 (pre Sudan crisis) and 31 May 2026.



Trend of population by nationality



** Syrian refugee numbers dropped since October 2024 as UNHCR resumed inactivating cases who did not renew their documents. Additionally, following recent political developments in Syria, there has been a significant increase in asylum closure requests from Syrian refugees.
