

# UNHCR Operation in Niger

Fact Sheet - October 2012

## Operational highlights

- Niger currently hosts an estimated **61 880** Malian refugees. The crisis has also led to the return of **3 132** nationals of Niger previously living in the Gao area in Mali. These displacements have occurred in a difficult period for Niger already facing a food crisis and devastating floodings which severely hit the country during the month of august.
- During the month of September itself, Niger sheltered 2986 new Malian refugees.
- The operation focus on the following areas of action : guarantee **the security and physical integrity**; ensure that all refugees **are duly registered**; secure access to **basic necessities and livelihood**; ensure an **active participation and close involvement of refugees in programmes and activities** that affect their lives; bolster **coordination and cooperation with all other stakeholders**.

<b>GrandTotal</b>		<b>58 685</b>

## Latest developments

- **Registration:** Preparations are underway for level 2 Registration schedule to start by mid-November.
- **Water and Sanitation:** UNHCR with the collaboration of the RECA (regional emergency cluster advisor) held a workshop with all WASH partners supporting refugees to develop a strategic operational framework. Oxfam GB, has been identified to take over sanitation and hygiene activities in the refugees' camps.
- **Shelter:** In the camp of Mangaize, infrastructures such as a distribution center and offices for partners are under constructions.
- **Education:** From the 25th July to September 25<sup>th</sup> 2012, catch up classes for primary school students were organized in the two camps Tabaraybarey (Ayorou) and Mangaize for 1263 children. 47 per cent girls participated. The courses were implemented by Plan Niger.
- **Health and nutrition:** Following the high prevalence of Global Acute Malnutrition (GAM) and Severe Acute Malnutrition (SAM) from the result of a nutrition survey organized in Ayorou, Abala and Mangaize in August, UNHCR and partners to reduce malnutrition rates. In health centers passive screening is conducted on a daily basis and in Ayorou blanket feeding was organized for children of 6 to 23 months
- **SVBG:** UNHCR is working with partners on Sexual and Gender Based Violence (SVBG) prevention and response in the camps. Mass awareness campaigns on SVBG are being conducted regularly in the camps with the active participation of refugees.
- **Food distribution:** Food assistance to refugees is covered by WFP who is providing rice, oil and CSB (Super Cereals).
- **NFI distribution:** Energy-efficient stoves financed by the French Embassy are being distributed to refugees and host communities. A total of 6 700 stoves have been planned for distribution to both communities in Abala.
