Overall situation:

- Tense in the areas close to the border;
- Clashes in Saida on 23-25 July;
- Reaction on Saida events in Tripoli;
- Sectarian tensions country-wide;
- Leb Army more exposed to sectarian violence;

Impact on UN and wider humanitarian community:

- UN and INGOs are not directly targeted;
- Increased collateral threats : caught in cross fire, affected by rocket attack or cross border shelling, caught in civil unrest;

SECURITY UPDATE

Major incidents over last two weeks:

- **21 June:** Rocket launched from Ballouneh (Mt Lebanon) to Aaraya (Chouf);
- **23 June:** Defused IED in Chtaura, Bekaa, up to 1000g, targeting BAATH office (pro Syrian regime party);
- **25 June:** IED explosion in Masnaa road;
- **23-25 June:** clashes in Syria, LAF vs. Al Assir supporters;
- **28 June:** Two IEDs on Zahle-Ksara road, targeting HZB convoy, no casualties;

Increased threat of terrorism:

- Rocket attacks as terrorists weapon;
- Rise in IED in Bekaa – 05 in June;

SECURITY UPDATE

Outlook:

- Continued political/sectarian tensions;
- Possible retaliation by Al Assir supporters and sunni affiliated groups against LAF;
- Continued insecurity in Tripoli;
- Syrian opposition affiliated groups to continue target HZB in North Bekaa;

Recommendations:

- Before departure to the field to assess and confirm prevailing security situation at the destination or on the way;
- Use of alternative roads when required;
- Maintain liaison with Gov. authorities, ISF, LAF and take advice of UN security.

SECTOR UPDATES

PROTECTION-Update

Highlights:

Registration: Total number pending has slightly increased to 84,000 as of 27 June due to security and increased requests for appointments. Reduced scheduling during Ramadan will affect capacity and lengthen waiting period.

Akkar: Increasing arrests reported at Chadra checkpoint in light of security situation. Assessment at Bebnin ITS at risk of eviction post-Ramadan. Recent monitoring visits to Arida and Aboudiyah indicate continued obstacles for women and children to exit Syria other than Masnaa.

Tripoli: Increasing concerns over detention and confiscation of documents of Syrians as well as curfews on Syrians prohibited from circulating after 900pm. At least one registered Syrian reportedly killed and one injured while buying bread during crossfire of recent fighting. Participatory assessment begun in 3 areas and intended for all 5 districts of Tripoli.

PROTECTION-Update

Highlights:

Bekaa: Increasing reports of secondary displacement from North to Central Bekaa combined with high no-show rates of refugees from Arsal. Informal curfews continue to be reported in various locations.

Mt. Lebanon: Rising concerns over child labour. Establishment of first field-based PWG meeting.

Tyre: Recent influx of 50 families into Shebaa after re-intensified fighting on Syria side. Curfews reported in several locations. Reported anonymous threats received by Syrians known to support FSA as revenge for death of martyrs.

Action Points:

- Workshop to consolidate and draft national Protection Strategy on 5 July
- Next national PWG meeting on 17 July

SBGV Task Force-update

Highlights:

- Gender-Based Violence Information Management System (GBVIMS) support mission from UNHCR HQ and Global GBVIMS Steering Committee (Training of 30 staff from 14 organization and planned expansion of the system to Tripoli and Bekaa);
- SOPs validation workshop and lead case management agencies identified for Akaar and the South.

Action Points:

- Develop one page with key contacts for referral for other sectors frontline workers;
- Design services leaflets with hotline numbers by governorate.

Child Protection in Emergencies (CPiE)-Update

Highlights:

- Establishment of a technical working group on Psychosocial Support to standardize and harmonize PSS interventions;
- Draft of SOPs on Unaccompanied and Separated Children;
- Development of service provider directories – Bekaa and North Lebanon.

Action Points:

- Development of CPiE strategy – field and national workshops;
- Enhance coordination links with education sector to address child; protection issues in schools; and health sector for MHPSS;
- Harmonization of inter-agency case management tools.

SHELTER-Update

Highlights:

- As of 30 June - 18,967 refugee households, 95,984 individuals have received shelter assistance; 19, 78 % of the registered refugee population (485,167 as per reg. figures of june28.2013).
- In June, over 2,975 households received some form of shelter assistance.
- Four (4) collective centres were rehabilitated, adding to the 45 already existing.
- UNHCR assisted by MoSA assessed so far 43 sites. A priority list of 11 suitable sites with various surface areas could accommodate 7.880 HH _ Approval from MoSA is awaited to star the implementation of such sites.

.

SHELTER-Update

Action Points:

- A framework for the Shelter Sector Strategy for the remaining months of 2013, was developed, whereby shelter operational agencies will provide their inputs in a first step towards a concerted collective effort to produce the guiding document.
- Contacts were established with the Unions of Municipalities of Akkar towards collaboration with UNHCR on refugee shelter sector support. Unions met agreed to provide data on per village population, adjacent number of refugees, existing informal tented settlements, available public land viable to be used as “formal tented settlements, buildings for rehab as collective shelters, and houses for renovation to house refugees. Process will continue elsewhere, and data will be shared with all shelter sector organizations.
- Next Shelter Sector meeting in Beirut on Tuesday 9 July at 10 am, will include discussion towards organization of necessary technical sub –committees.

WASH - UPDATES

Highlights:

- WASH response map (areas with/without WATSAN response and hosting registered refugees over 200) was produced.
- Draft WASH assessment including detailed household questionnaire was shared for comments and is being finalized.
- Review of WASH related assessment reports was done and will inform future WASH assessments.

Action Points:

- Finalize technical documents on water, sanitation and hygiene promotion.
- Revise WASH Strategy.

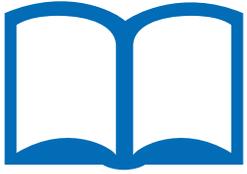

PUBLIC HEALTH-Update

Highlights:

- Assessment of PHC centers for expansion of network;
- Mobile medical unit visits in ITS continuing;
- Vaccinations in UNHCR registration sites ongoing.

Action Points:
