## CVT (Center for Victims of Torture)

### Mission

The Center for Victims of Torture (CVT) is an international, humanitarian, and non profit organization founded in 1985 in Minneapolis, Minnesota, USA. The overall aim of the Center for Victims of Torture is to support individuals and their families and communities who are suffering from distress as a consequence of war and torture. CVT also advocates to stop torture worldwide. CVT is committed to work with victims of torture and war trauma by rebuilding their lives and bringing them hope for the future. CVT has been in Jordan since late 2008.

In 2014, CVT has appealed for a total of **USD 2,500,000**

### Sector Information (Direct Appeal under RRP6)

#### HEALTH SECTOR

**Objective 1:** Improve equitable access, quality and coverage to comprehensive primary health care for Syrian refugee women, girls, boys and men in Jordan by end of 2014

Output 1.5 Improve access to mental health services at the primary health level **USD 2,500,000**

### Additional Sector Information

CVT provides trauma rehabilitative services to Iraqi and Syrian refugees of all ages and gender who are experiencing the effect of war and torture. The rehabilitative services include: Mental Health Counseling (individual; group; family); Physiotherapy (individual and group); Social Services Referrals and Case Management. In addition to providing direct trauma rehabilitative services CVT trains members of the community and refugee population to be skilled psychosocial counselors, physiotherapists, advocates, educators and trainers.

### Geographic Focus

In 2014, CVT plans to intervene in Amman and Zarqa governorates in Health.
