

SYRIA REFUGEE RESPONSE

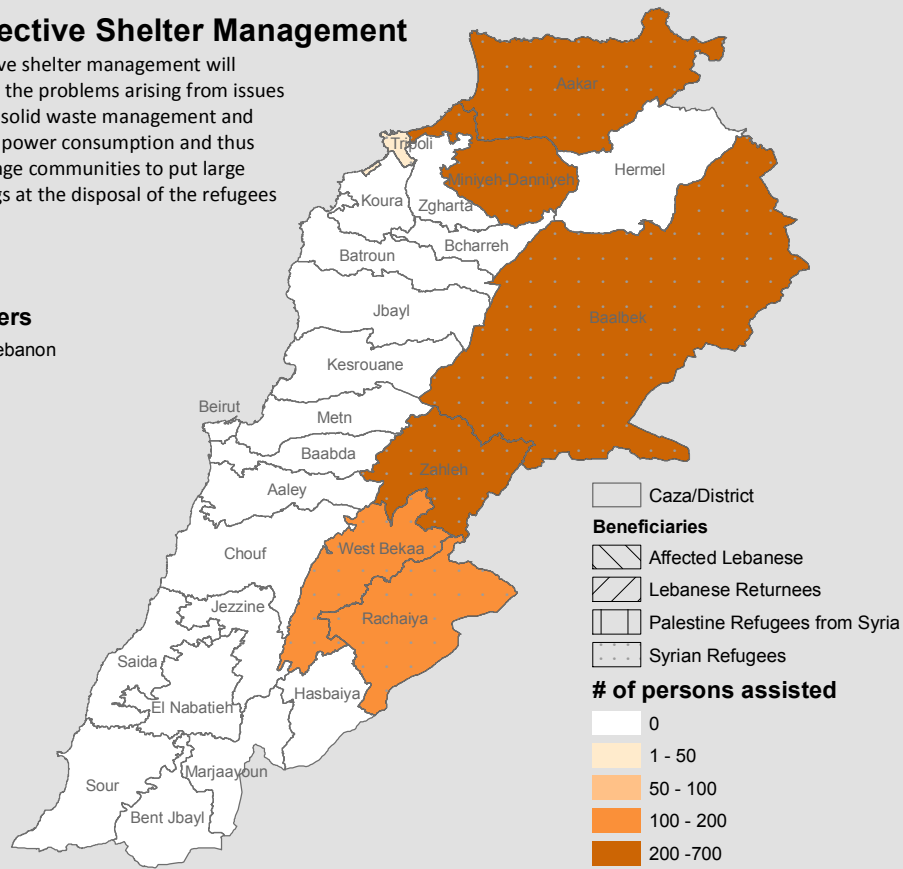

LEBANON Shelter Sector Activities in 2014

as of 28 February 2014

Collective Shelter Management

Collective shelter management will address the problems arising from issues such as solid waste management and electric power consumption and thus encourage communities to put large buildings at the disposal of the refugees

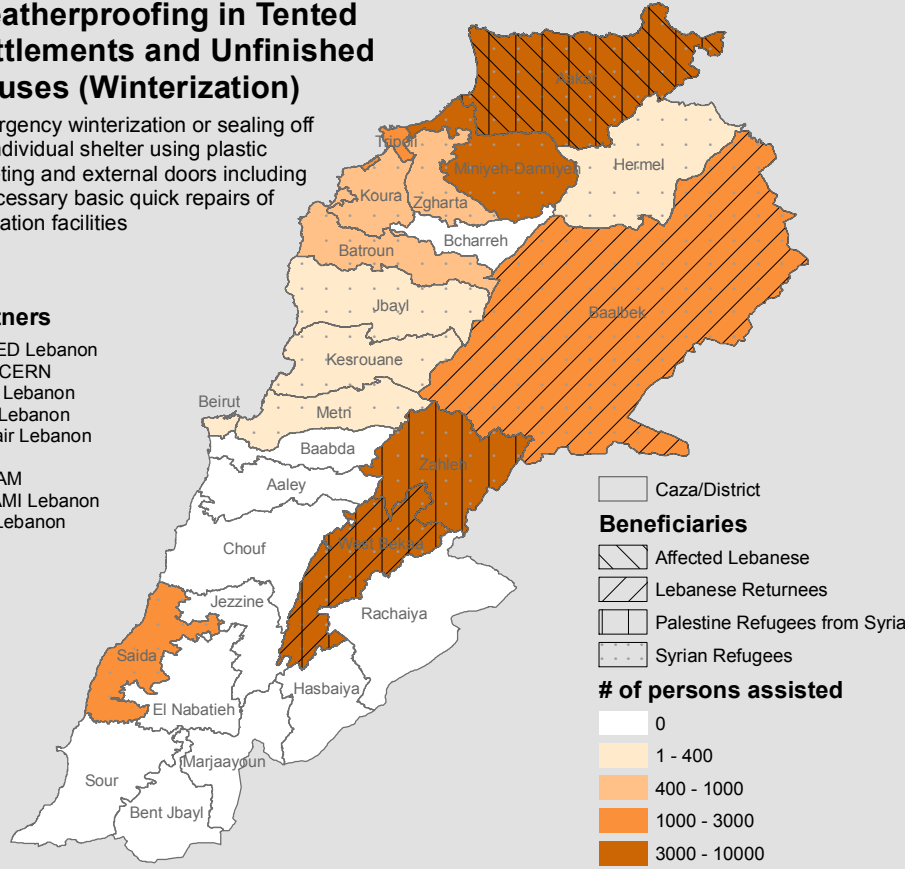

Partners
DRC Lebanon

Weatherproofing in Tented Settlements and Unfinished Houses (Winterization)

Emergency winterization or sealing off for individual shelter using plastic sheeting and external doors including if necessary basic quick repairs of sanitation facilities
