47,803	Awaiting

Over 13,000 refugees registered with UNHCR, bringing the total number of Syrian refugees assisted by UNHCR and partners to over 1,014,000 (966,000 people registered and 47,000 awaiting registration).

A total of 12,306 registered refugees underwent renewal-verification during the week. UNHCR Lebanon has engaged in a country-wide verification-renewal action plan since January 2014 with the aim to renew expired registration documents, update information captured during registration, record new protection/specific needs and verify the existing population in Lebanon. Individuals who are not present during the verification-renewal interview are inactivated and reactivated when or if they re-approach the registration center and undergo a reactivation interview.

Some 575 refugees residing in Mount Lebanon and Hasbaya, south Lebanon benefited from transportation to the registration centres in the respective districts provided by Terre Des Hommes (TdH), SHEILD and UNHCR. This facilitated registration for vulnerable refugees who reside in remote areas.

PROTECTION

Local authorities in Shebaa, south Lebanon reported the arrival of some 117 refugees from Mazraat Beit Jin, Syria in the past days. Local authorities and partners responded to the most pressing needs.

Eighteen Internal Security Force (ISF) officers from different police station across the Bekaa were provided with training on prevention and response to Sexual and Gender-Based Violence (SGBV) and child protection. Similarly in Koura, north Lebanon, eleven heads of several municipalities attended an awareness session on human rights and sexual exploitation of refugees provided by International Relief and Development (IRD).

Some 725 refugees benefited from psychosocial support sessions and livelihood training provided by CLMC and DRC in areas across the country.

An additional 153 refugees benefited from legal counseling and assistance provided by IRD in north Lebanon. Sessions included awareness on birth registration procedures and the renewal of residency permits.

FOOD SECURITY

More than 650,000 individuals have so far this April benefited from food assistance provided by the World Food Programme (WFP) through electronic cards reloaded with the amount of US\$ 30. Additionally, a total of 11,493 newly-arrived refugees received food parcels.

Some 1,200 vulnerable individuals living in unfinished buildings and car garages in Akkar received hot meals and bread parcels distributed by IOCC. Families who benefited from this distribution have elderly or disabled members, pregnant, lactating women and/or children under 5 years of age.
