Some existing systems and available tools  
for project and financial tracking

# Existing Aid Monitoring Systems

- \* OCHA FTS Humanitarian Aid tracking system
  - \* On-line, updated based on reporting cycles from donors on all humanitarian aid
- \* International Aid Transparency Initiative (IATI)
  - \* Has automatically updated data from 180 member organizations
  - \* Reader app available to view/download all data
  - \* Not complete picture yet, but getting there
- \* OECD-DAC
  - \* Quarterly updates, but published recipient country data is for 2012
  - \* Focus on member countries
- \* D-Portal
  - \* Compiles data by country from the above sources
  - \* Most complete and updated source currently for non-humanitarian aid
