

## **ESWG Meeting Minutes – 29<sup>th</sup> Sep. (Save the Children Jordan 12:00-14:00 hrs)**

**Agencies present:** ICCS, IOCC, FPSC, Intersos, JARC, JEN, KnkJapan, Madrasati, NRC, Questscope, SCJ, IH, RI, SCI, WFP, WarChild UK, WeLoveReading, WWI, UPP, SC Demark.

### **Agenda:**

- 1) Review Minutes and Action Points
- 2) Next year planning 2015
- 3) Best practices & Lessons learnt: Relief International
- 4) Azraq Updates
- 5) AoB (Edu-WASH guidelines updates, Teacher Recruitment by MSF and INEE training updates update by WFP on school bag distribution).

#### **1. Review previous minutes and action points**

The minutes and action points agreed upon and endorsed without amendment.

#### **2. Next year planning 2015**

Chair shared the sector objectives under refugee component and discussed the planning assumptions with all members for their feedback. He also emphasized that all the partners are supposed to discuss with in their organization about the future project to for achieving the desired result in 2015. Moreover, all the members will also try to find the cost per beneficiaries for their respective program. It will help the ESWG to estimate the financial requirements. The partners also requested that it would be better for next year planning if UNHCR share the age wise gender segregated data of all children.

#### **3. Best practices & Lessons learnt: Relief International**

The chair invited the Relief International to contribute in a meeting while discussing their lesson learnt. The representative shed light on their best practices related to psycho social support and material used by them which was developed from re-cycling. They shared that it's cost effective and easy to develop (For detail see the attached PPT)

#### **4. AZRAQ update**

Chair encouraged each partner working in Azraq to provide updates.

- SCI had launched KG at Azraq on 21st Sep 2014 in village 3 block 12 for 4-5 years of children. Currently, 100 children are attending.
- QS waiting MOPIC/ SRAD confirmation to begin in Azraq expected to start NFE classes in Nov after securing the physical spaces for canters.
- Mercy Corps outreach activities are ongoing to identify children with disabilities, along with conducting technical assessment by MC specialists for identified children with disabilities
- WFP provides date bars (1 bar per student per school day) in both informal and formal schools to 2130 students.

#### **5. AOB (Edu-WASH guidelines updates, Teacher Recruitment by MSF and INEE training updates update by WFP on school bag distribution)**

Chair briefed the participants about the status of the guideline and narrated the draft guidelines would be shared with WiS sub group and after getting their feedback the draft will be further shared with all members for their feedback.

MSF colleagues briefed the members about their future project related to the surgically injured children and requested the member for their technical inputs for teacher recruitment and learning contents etc.

The chair updated the forum regarding the INEE training and contextualization process. He reported that there is training from 13-16 Oct 2014 for INEE contextualization process. He explained that the chair will identify the interested participants from the people trained during these two trainings and people trained in June 2014. Furthermore, after getting confirmation from the participants, they are supposed to contribute in whole process which requires their time, commitment and coordination.

WFP colleague briefed the members about their one time activity related to the bag distribution outside the Zaatari camp within a radius of 5 KM. They will distribute school bags up to 1050 students.

YTF chair briefed that, task force is going to have a FGD with youth for higher education and members can provide their inputs in tool.
