| ITEM | POINTS | ACTION POINTS | |
| 4Ws / Plans for 2017 | <ul style="list-style-type: none"> • IRC received 5M USD / 2 years from UAE and will continue the community outreach program, including 100 CHVs and three mobile clinic teams in Mafraq and Irbid. • IRD – north/middle/south. Now volunteers are using tablets and doing home visits, referrals to MOH (38 MOH facilities), and follow up. Also will do NCD training to 85 volunteers in December – 3 days. Will use MOH materials (Arabic) and trainers are ex-MOH. • PUI – community project running through Aug 2017. CH awareness sessions. 20 CHVs in Amman and Zarqa (split half/half). Have MOH approval and waiting on MOE approval for capacity building on CH topics and PFA. Still doing cash for health in Amman and Zarqa (increased the # Jordanians based on MOSD request – based on basic needs scores ... which are lower than those of Syrian refugees) • JICA- proj is still running with MOH Mafraq, Amman (Der Alla), Irbid. Will open up MC next year. March – will start project with MoLabor on employment. Currently doing work with Syrians with disabilities. • IOCC – same project still running – disability project in partnership with JHAS. Awareness sessions over 3 months (dec-feb). Want more activities, but still waiting approvals. • HI – same activities through June | <p>IRD will provide the MOH-provided materials</p> <p>HSD will provide the list of CHCs (22 – 30) to see what level of overlap with other NGO CHVs</p> <p>UNHCR will provide an excel spreadsheet of sub-districts and # of Syrians / sub district</p> <p>CHTF will use this as a base for the 4Ws and then members can input how many CHVs/sub-district</p> | |

| | | |
|---|--|--|
| | <ul style="list-style-type: none"> • IRD CDSR – CH phase 1 wrapping up. Will hopefully continue with 33 volunteers in Amman, Salt up to June (maybe ending in Dec ...UNHCR funded so unclear at this time) • MSF-France – doing camp assessments for cold cases, follow up. • Save the Children – IYCF program running as usual. Anemia program in Aqaba and the South. • MOH – may projects running through next year. Orientation sessions about domestic violence in the hospitals and PHCs and also doing child health screening for 3 days. Another training next week about immunizations. • UNFPA – works through IMC, JHAS, MOH, and IFH. End of year in process for reviewing workplans for next year • UNICEF – nothing to add...Save is their implementing partner. • UNHCR – nothing to add...IRD is their implementing partner • Medair – accomplished a lot in 2016 with CH and cash for health. After Dec, no confirmed funding. Have Madad approval (provisional funding – don't know start date). • HSD – orientation sessions for 22 Community Health Committees, and will continue to do some. IRC, JAFPP, IFH were present in some of these meetings. CHCs have action plans and activities like home visits. Irbid, Amman, Ramtha, Zarqa, Karak, Mafraq. • Plan is to have the 4Ws document sub-district level, where agencies have to input how many CHVs they have per sub-district. UNHCR will give us the # of Syrians /so we can calculate the # CHVs/target population (goal = 1/1000) | |
| <p>Hello Aseel/goodbye Caroline</p> | <p>Goodbye to Caroline, welcome to Aseel! - And we ate some amazing cake -</p> | |
| <p>JRP update (UNHCR - Ibraheem)</p> | <ul style="list-style-type: none"> • Yesterday, the news came back that the JRP (Jordan Response Plan; Jordan chapter of the 3RP for UNHCR) funding targets were cut for many sectors. 12 sectors developed response plan for output indicators and budget for next 3 years. This was all shared with MOH and uploaded to MOPIC system. 2016-18 packages was \$284M, then 2017-19 was a little more target, so the GOJ asked to shift back to 284M. UNHCR cut 8% of the budget for all organisations 2018-19 which will not affect the plans for 2017. • Health was not asked to cut (education, energy, and a few others were NOT affected). Maybe health was not impacted because we had a good balance between resilience and refugees (60% resilience, 40% refugees). | |

| | | |
|------------|---|---|
| | <ul style="list-style-type: none"> • Protection, basic needs, food, WASH, shelter – affected. 57% of protection was cut. UNHCR and others are advocating with GOJ/MOPIC; 71% of basic needs was cut; 31% food was cut; 45% WASH was cut; 9% shelter was cut • Berm is not included in the JRP document. | |
| AOB | <ul style="list-style-type: none"> • How can CHCs and CHTF work together? Define the role of CHCs and CHVs • Where will the next meeting place be? IRD and IOCC will ask their management • JICA is willing to share their guide books – send an email to Shereen to request | Organizations will check if we can have the meeting at their offices (IOCC and IRD) |
