Cross-Cutting Issues
Most IDPs have not accepted the single houses as they do not trust the government to assist them to return to their home of origin if they accept the house. There is a lot of confusion within KNP regarding the implication for their access to services if they refuse the single house.

Priorities of the Camp Community*	Priorities of Camp Management Agency**
1) Food rations	1) Wash facilities
2) Shelter renovations	2) Shelter- concerns of Governmental individual houses
3) NFI distribution (blankets and clothes)	3) Access to health
*Determined using data from CMC meetings and FGDs w/women, men, youth girls, youth boys, and elderly.	
**Determined through analysis of monitoring data, as well as according to CCCM Cluster and CMA strategies.
