Sector	Updates	Key Concerns
Camp Coordination and Camp Management	<ul style="list-style-type: none"> December 12 – 13, LWF together with Department of Electricity, RSG organized recreational activities in the camp where 297 (123 Girls and women) participated in 7 games (Cane Ball, Tug of war, running, To see hto, Football and Swor Tine Tet). The community people as audience also enjoyed the events. On 9th December 2014, CMC organized a meeting attended by 30 (13 Female) representatives from CMC, WDG, Disable persons, Incentive Workers where they discussed camp issues and agreed to strengthen camp level coordination with all committees in the camp. On 11st Dec 2014, ULAMA (The Organization of Jamiat Ulama, Chief of Islam-Elislm in Myanmar met with the host community and IDPs and then distributed 11 items (Food, Cloths, Student Kits) for 1,086 household camps. When they were distributing in each camp, Incentive Workers from LWF assisted social activities in the camp. On 15th December, CMC organized a monthly meeting and discussed necessities and difficulties with WDG, elderly, and people with disabilities in the camp. Inter-agency meeting was conducted on the 24th December 2014 and was attended by 24 (11 Female) representatives from CMC, WDG, disable persons. DRC and CDN participated. 	<ul style="list-style-type: none"> IDPs are facing problems to pay money to land owners. Camp is very dark at night. It is very risky especially for women, children and old persons. ACCCMO from LWF requested the inclusion of the internal partners, CMC and agencies representatives for coordination and collaboration for effective camp management. Fire safety kits are partially damaging so need to assess and replace as per need. CMC and IDP requested solar lights, and regular distribution of NFI items.

LWF Myanmar
CAMP SITUATION REPORT - December 2014

	<ul style="list-style-type: none"> • In December, 3 Incentive Workers resigned. The remaining 21 IWs were appraised and received their incentive payments. • Throughout December, it was reported that there are 33 (21 baby girls) new births and 8 (3 female) deaths cases in OTG (South). 	
Education	<ul style="list-style-type: none"> • LWF is operating 9 TLSs with 27 (10 female) community teachers, 6 CFSS under the care of 18 (8 female) Animators and 4 Non Formal Education (NFE) sessions with 2 NFE facilitators in each center. • CMCs also supported Education Activities to develop students. • There are (5) people in the School Committees and they requested a watchman of school security. • CMC requested a Middle School. 	<ul style="list-style-type: none"> • IDPs and Teachers requested for Myanmar Text books for Students and furniture for appropriate learning environment. • Furniture are damaged so need replacement and/or repairs.
Food and nutrition	<ul style="list-style-type: none"> • On 11st Dec, 2014, ULAMA Organization met with the host community and IDPs and then distributed Food items (rice- 543 bags, beans- 271 bags, dried fish- 3 bags) for 1,086 households in the camp. Incentive Workers from LWF assisted. • On 18th to 23rd Dec, 2014, CDN/WFP and the Distribution Committee distributed food rations (Pulse, Blended foods, salt and rice) according the monthly Ration size. • CDN/WFP shared information regarding change of food distribution point from Baw Du Pha (2) to OTG (baw du Pha) Camp. In Ohn Taw Gyi (5), 73 IDPs household are receiving only rice till now. 	<ul style="list-style-type: none"> • IDPs from Baw Dhu Pha (OTG-south) explained that there are 1,188 IDPs and 200 households in Baw Dhu Pha Camp. They would like to receive food ration from WFP in OTG (South) at the food distribution center. They requested to shift their registration from Baw Dhu Pha(1) to OTG(South), so that they can receive their food ration in OTG(South). • IDPs and CMCs requested cooperation between CMC and Food Distribution Committee for effective camp management. Till now all the camp committees are working separately and lack any integrated structure. • The warehouse is damaged in the camp.
Health	<ul style="list-style-type: none"> • Health services are provided by Marcy Malaysia/MHAA from 9 to 12 am. There is one health clinic shared by OTG North and OTG South. It is located in OTG North. That clinic lacks enough of drugs for the population of the camps. The doctor could check very few patients during opening hours from 9:00 to 12:00 A.M. 	<ul style="list-style-type: none"> • There is a need for more health facilities for these two very large camps.

LWF Myanmar
CAMP SITUATION REPORT - December 2014

	<ul style="list-style-type: none"> • If there is an emergency patient, they have to go to the Dar Paing or Thet kae Pyin hospital. • MHAA is distributing Nutrition of children for 2 days per week. 	
NFIs	<ul style="list-style-type: none"> • No NFI activities since February in the camp. 	<ul style="list-style-type: none"> • IDPs requested blankets • IDPs would like to receive NFI Kits (Mosquito net, Warm Clothing, Blanket, Cooking pot and Family kits.
Shelter	<ul style="list-style-type: none"> • LWF provided shelter maintenance material for 881 shelters and support to maintain the shelter based on assessment reports. 	
WASH	<ul style="list-style-type: none"> • LWF accomplished WASH monitoring and submitted the report to UNICEF. • DRC explained that they had already selected 66 volunteers in OTG south. They are giving Hygiene education in the camp every month and will distribute Hygiene Kits. • Of the 63 water points in the camp, 48 water points need repair. Some IDPs are carrying water to drink and domestic use from the host community. • There are 45 bathrooms in the camp and all are damaged. 	<ul style="list-style-type: none"> • Variation in IDP families and population statistics. • In OTG (south), many latrines are damaged. They requested DRC to implement the WASH program as soon as possible.
