

## COUNTRY COVERAGE

## SECTOR OBJECTIVES

- Save lives and restore livelihoods of conflict induced refugees and host communities.
- Promote increased levels of food and nutrition self-sufficiency for Syrian refugees by creating income-generating activities to prevent negative or irreversible coping strategies.
- Strengthen the knowledge base of Syrian refugees on quality and healthy diets during dire economic circumstances.
- Improve the food security response quality based on evidence, capacity building and strong coordination between sectors and relevant line ministries.

0 / 22,000

Age of people receiving food assistance

Female Male

45% 55%

REPORTING PARTNERS

Several actors are also engaged in cash transfer programmes which simultaneously seek to address promote food security, address other basic needs, and enhance access to services - such as the ESSN. As multi-purpose cash programmes are currently reported under Basic Needs, this dashboard does not reflect the full extent of efforts to promote food security among refugees in Turkey.
