Item	Discussion	Focal point /Organisation	Time
	<p>Education, protection, psychosocial support, and the plus + for WASH interventions including hygiene promotions, distributing mobile latrine and mobile water tanks for ITS informal tented settlement covering Amman, Karak and Irbid.</p> <p>We have an extension for additional 11 months.</p> <p>IOCC: IOCC continued in partnership with JHAS distributing de-lice solutions in camps and host communities. Until February, they distributed 4,360.</p> <p>WVI: Finalised the procurement process for the implementation for the Solid waste, called the green centre. By next week the implementation will be started by the green centre. By mid of May, all equipment, trucks and locations will be ready that allow the green centre to start the activities. In Azraq camp, for the schools program, WVI will exeat the activities to cover the needs at two more schools in village 3 and village 5 in addition to the school at village 6. Also in Azraq camp, WVI has the Football for education program, which is including three batches targeting about 4000- 4,500 beneficiaries per month. Focusing on shaping their skills in football and communication skills. First phase of the project has been completed with 600 beneficiaries and phase II will be started at April targeting 300 beneficiaries.</p> <p>JEN: In Zaatari camp D3, 4 and 5, for 2,500 households, is working on phase II construction for water network and wastewater network. They delayed in implementation, now JEN is working in finding refugees at the camp for cash for worker to be involved at the project. JEN is focusing on updating private toilets in terms of windows, walls, locks and doors. For Hygiene promotion, there will be a camp survey will be started next week. Committee mobilization in recycling in schools will be started soon. Host communities: Last month finished PCA; finished constructed and rehabilitated wash facilities in 56 public schools in 9 governorates. JEN Conducted a workshop to close the UNICEF PCA by presenting WASH in schools dashboard which was created by the GIS /IM officer.</p> <p>JHASi: Conducted home visits.</p> <p>ACF: In Azraq, ACF working on two major components; A. WASH blocks: To construct 150 WASH blocks, contracts selection will be finalised by next week. B. Water supply: There are 8 gas station with tanks to supply the camps with water. We want to change the 8 into two groups, now in the planning to do the re-location into two groups. Grey water project: UNHCR, ACTED and ACF discussing the grey water project. It was agreed that it would be helpful if the results of the grey water pilot</p>	<p>Afnan (IOCC)</p> <p>Ahmad (WVI)</p> <p>Arisa (JEN)</p> <p>Selina (JHASi)</p> <p>Shumet (ACF)</p> <p>Eva (UNHCR)</p>

	<p>project done by ACF will be shared with Azraq WASH group and to check if the MoWI would give a permission to build such a network. UNICEF will follow up on that.</p> <p>Three projects in Host communities in Irbid Governorate: New projects in Irbid and Ramtha, to connecting vulnerable Jordanian and Syrian refugees to the network system in Irbid and also doing in-house water and sanitation facilities and promoting public awareness to water conservation.</p> <p>UNICEF: New country program: Due to the new country programs, lots of programs shift. Discussions will be made with UNICEF partners. UNICEF is aiming to sustain the services at the camps. Shift toward working the government and the NGOs partners and local NGOs. Transitioning the hygiene promotion into Health. Transitioning WASH in schools into Education. Coordination will be continued with UNHCR support and partners with more engagement to the government in transitioning in terms of planning, JRP ... etc. in addition to nationalising many positions and serving more Jordanian.</p> <p>Sustainable Development Goals SDGs: The SDGs are 17 goals, WASH has one goal (goal 6). Goal 6 has 11 indicators and 6 activities. The 6 sub goals are water, sanitation, environment, etc. Jordan is one of the model countries in the area used for the SDGs. MoWI is leading/chaired the WASH group to compile the SDG 6. Process is ongoing.</p> <p>UNHCR: Progress Reports shows the targets against the achievement, to measure the implementation of the sector activities. Priority indicators were selected by end of 2016, the group need to review the indicators and have a revised new set of indicators to be used for 2017 with identifying the correct targets to report against.</p> <p>Planned figures were missing at 2016, but IM Focal points will ensure having the planned figures entered on the ActivityInfo to avoid the gaps. The accurate projects will be effected the planning and the donor's funding for our future projects. <u>ActivityInfo focal points:</u> Laith (UNICEF) & Maysa (UNHCR) <u>JORISS focal point:</u> Laith (UNICEF)</p>	<p>Shumet (ACF)</p> <p>Esmail (UNICEF)</p> <p>Elena (UNHCR)</p> <p>Laith (UNICEF)</p>

Information management updates	<ul style="list-style-type: none"> Financial tracking system FTS It indicates the total fund requested and received for implemented partners for each sector. For the first quarter of 2017, ActivityInfo will be used to conduct the FTS. A training session is scheduled on 21-22 March by the Information Management Team. (Invitations will be sent in mid-March). The training targeting the financial focal points from all partners. Sector Dashboard The dashboard is a data visualization tool that display the current situation for the sector including the important data that sector would like to share monthly. It shows either all agencies together or a particular agency for a selected month or for the whole period. Also it shows which activity is funded well and which is underfunded. Progress report indicators also will be displayed on the Dashboard. Dash board link is: http://scs.raisunhcr.org/dashboards/WASH.aspx Services Advisor http://jordan.servicesadvisor.org It is simple web app for Refugees, service providers and refugee sector coordination/working group, which provides up to date information about local availability of humanitarian services and referral services. The Information Management Team will share the taxonomy of activities with Sector Coordinators for feedback, before conducting a training sessions. Training sessions will be conducted at UNHCR office, training invitation will be circulated with partners when date is set by UNHCR Information Management unit. All IM focal points are encouraged to attend the training in terms of working closing on updating the Service Advisor data. 	Maysa (UNHCR) & Laith (UNICEF)	15 min
Updates from TFs	<p>IM: It's a TF created last year 2016, to monitor reporting information management and on ActivityInfo. Next meeting will be conducted on early April. Entries on ActivityInfo are monitored monthly. 6 agencies out of 8 are reporting on ActivityInfo. Caritas and INTERSOS data are still missing. Any missing will affect reporting. Indicators justification/calculation will be reviewed with IM Focal points during the TF meeting.</p> <p>For Makani Plus partners: Partners are requested to report Against UNICEF indicators at UNICEF Database.</p> <p>UNICEF Deadline for partners reporting is 5th for each month, for UNHCR it's the 8th. The three days are for revising the data entered by the IM focal point.</p> <p>Maps: UNICEF developed two live maps: (1) Jordan Water network, showing the network connection all over Jordan, including the water facilities in Jordan. (2) Waste Water, including all the facilities. The maps are public useful maps where all agencies could access them,</p>	Laith (UNICEF)	15 min

Item	Discussion	Focal point /Organisation	Time
	<p>through: Water: http://arcg.is/P4jv4</p> <p>Sanitation: http://arcg.is/1y0azX</p> <p>Hygiene promotion: Consultation done by all partners, ToR is drafted. The TF meeting is today after the WASH WG Meeting to finalise the ToR. Still no updates for HP expert recruitment by UNICEF.</p> <p>Solid Waste: It was signed by WVI, but after Roelof left, Shumet; the new co-chair will lead this task force.</p> <p>Gender: Nancy (Oxfam) left the WASH Gender focal point. ACTED assigned Eshraq as a focal point for the Gender Sector Focal Point Network. We need another agency to volunteer to act as a Sector Gender focal point beside Eshraq. WASH sector Gender Analysis started last year in June 2016. In Azraq and Zaatari camps. After the analysis is done, the focal point will be presenting the results with the group.</p>	<p>Eva (UNHCR)</p> <p>Esmaeil (UNICEF)</p> <p>Esmaeil (UNICEF), Eshraq (ACTED) & Arisa (JEN)</p>	
AOB	<ul style="list-style-type: none"> • Hebah Ababneh (MC) is leaving after 5 years at MC. Hebah was a proactive member at the WASH WG, handling the HC TF. She's joining the International Union for Conservation of Nature in Jordan. Good luck! • The next meeting will be held on April 25th, 2017 at UNICEF office - 2nd floor meeting room at 10:00. 	Hebah (MC) & Esmaeil (UNICEF)	5 min
