

Sector Gender Focal Point Network Meeting Minutes

Date: Thursday 13 October 2016

Time: 11:30-12:45

Venue: UNHCR Executive Room

Participants: Total 15

1. Status of Gender Analysis by Sector (Follow-up to the action points)

- See the one-pager showing the current status of gender analysis for more detailed information.
- Protection sector focal point made presentations of findings from the ActivityInfo progress indicators' reports.

2. Updates from Sectors

Health: Gender Marker training to be conducted for the Reproductive Health Sub-Working Group

3. Pilot process for new IASC Gender and Age Marker (Education, WASH and Health)

Orientation sessions for the design and monitoring phases were done.

Education: On 18 October the first monitoring session to be conducted.

WASH: The first monitoring session already conducted.

Health: On 20 October the first monitoring session to be conducted.

The final review meeting for the Jordan pilot will be organized on Thursday 3 November from 11 am to 1 pm at UNHCR EMOPS room (on the ground floor).

4. Updates on JRP Planning

- The preparation for the Jordan Response Plan 2017 – 2019 has been ongoing. The JRP Workshop took place on 4-6 October to finalize the Comprehensive Vulnerability Assessment, Sector Response Plan and Project Summary Sheets.
- Gender tip sheets were jointly prepared by UN Women and the Jordan National Commission for Women, by including inputs from the Senior GenCap Advisor and Sector Gender Focal Points. These have been used for JRP Task Forces planning process.

5. Progress of the Work Plan 2016

- The work plan was reviewed to assess the progress against the expected outputs. **It will be important to finalize the sector gender analysis by early November.**
- Further discussion will take place for the next year's work plan during the next meeting.

Next meeting: Thursday, 10 November from 11:30 at UNHCR EMOPS room
